STAMFORD SELLS DULWICH HILL SITE FOR A\$51M

SINGAPORE, 26 December 2014 – Stamford Land Corporation Ltd (“Stamford”), Australasia’s largest independent owner/operator of luxury hotels and developer of top-tier, landmark residential and commercial properties, today announces that they have entered into an option agreement for the sale of freehold development site at 6-26 Grove Street and 64 Constitution Road, Dulwich Hill, New South Wales (“DH”) for A\$51m.

The 10,132 square metre site, with development approval (June 2014), was sold to an Australian real estate fund after being acquired for A\$23.7m less than a year ago.

Stamford’s CFO Chua Siew Hwi said “We are very excited with the sale, it represents an immediate crystallization of returns not dissimilar to development margins without related development risks.”

Stamford's Executive Director Ow Yew Heng added, “The foresight to acquire DH, putting in place development approvals prior to a sale to developers is one of Stamford’s core strengths. The Group continues to evaluate similar opportunities within New South Wales / other States for expansion of its development footprint.”

The sale is expected to be completed by end February 2015.
